Virtual ESY's
Weekly
NEWSLETTER

Issue 1: July 13, 2020

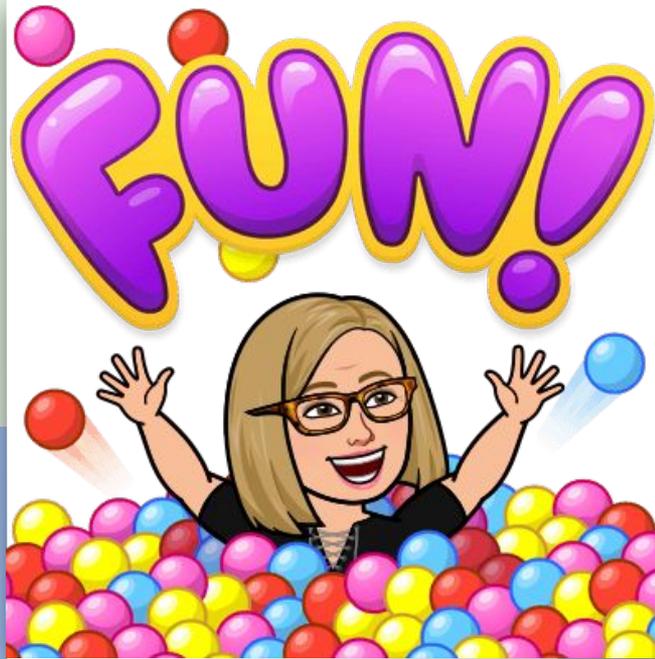

A mosaic map of the United States, where each state is filled with a dense pattern of small, multi-colored stones or tiles in shades of blue, green, yellow, pink, and purple. A central rectangular box with a light pink background and a black border contains text.

**Welcome to the inside scoop at
NHA's Virtual ESY**

This week's theme was...

Northeast Region

This week was amazing. The students visited NJ, NY, PA and MA. They took field trips to aquariums, went to the top of the Statue of Liberty and visited the Liberty Bell. They are loving their virtual classroom and doing awesome!

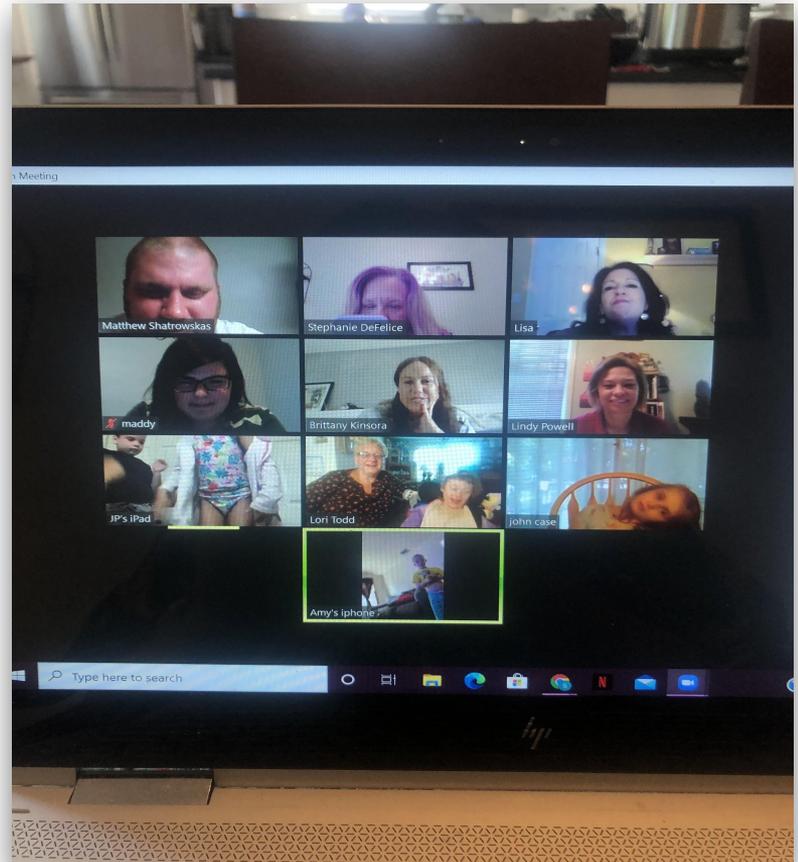

Ms. Alyssa's Class

Ms. Stephanie's Class

We had a great first full week of ESY!
The students met their classmates on Zoom
and attended their direct instructions. They
worked hard on practicing their skills!
We did a science/stem activity and made ice
cream! It was so cool- hahaha!

Ms. Pattie's Class

Ms. Pattie's class rocked the first full week of ESY! We did not waste any time, and dove right into our daily Zoom lessons and Google Assignments. *I am so proud of you!* The **highlight** of the week was during our Social and Emotional Zoom Meetup playing a game of "Would You Rather?" It was a great way to get to know everyone, see our friends, and socialize!

YOU ROCK

Learning About the Northeast Region of the U.S.

We had a wonderful week visiting different states in the northeast. The states we focused on were NJ, NY, PA, DE and the rest of the New England area. We also went on some fun virtual field trips to The Museum of Natural History, The Liberty Bell, The New England Aquarium and The Liberty Science Center.

Ms. Caitlin's Class

FIELD TRIP

We ventured throughout the Northeastern Region of the United States with virtual trips! We had some really amazing zoom meetings, showing off just how amazing the students are in my class this summer! Can't wait for next week's new adventures!
