Issue 3: July 27, 2020

**Welcome to the inside scoop at
NHA's Virtual ESY**

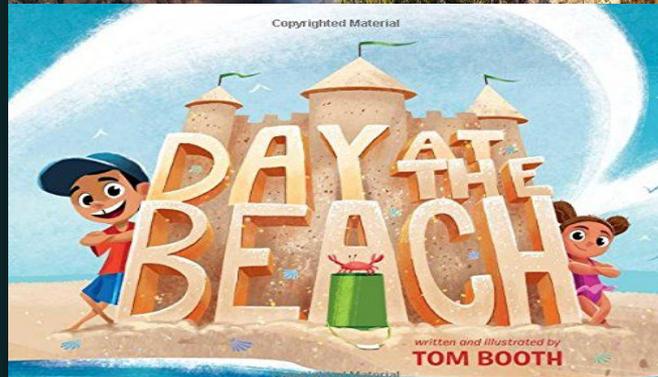

**This week's theme was...
West Region**

Ms. Alyssa's Class

This week we saw some amazing things in the West of the USA. We learned about the Space Needle in Washington State, the Grand Canyon in Arizona, Yellowstone Park in Wyoming, and Mount Rushmore in South Dakota. We also heard a great story about a boy at the beach who thought being alone was best and realized that maybe he was wrong.

ATTITUDE IS
EVERYTHING!

Ms. Stephanie's Class

Feed
Freddy!

This week, our class had our Monday Morning Zoom meet. We rocked and rolled with Jack Hartmann and ABC'd our way up the coconut tree. We learned about seeds in our science Zoom and planted cukes, corn, & carrots. Ms. Lisa showed us how to make potato chips with potatoes from Idaho! Ms. Brittany took us on a VFT to Hawaii's Volcanoes National Park. If we wanted, we could practice fine motor skills and counting with the activity that Ms. Maddy posted for us. We also used interactive games that Mr. Matt found for us. It was a busy week!

Ms. Pattie's Class

is getting into the GROOVE
of wearing a FACE MASK!

Ms. Pattie's class continues to ride the Remote ESY wave! The scholars are filling out logs as part of a Science project on how many minutes a day they are wearing a face mask and how they feel. They are preparing for the reopening of our school. The scholars will also be participating in a Raz-Kids Reading Contest which runs from July 27-August 7. Zoom lessons focused on long vowels, cause and effect, beginning sounds in words, and navigating AAC devices to communicate with others!

"Remember to drink water and stay cool!"

Alaska

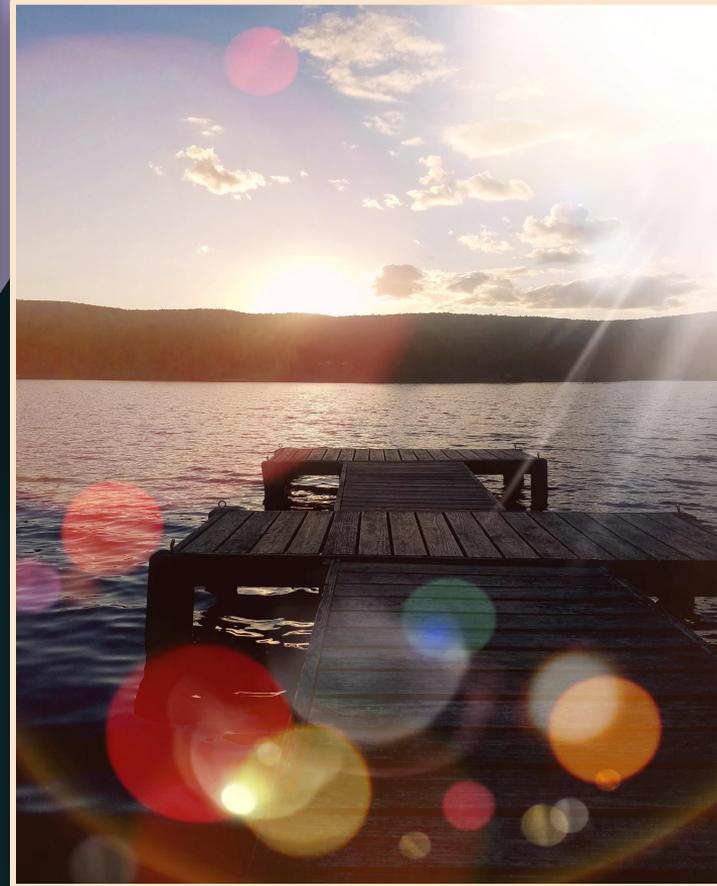

This week we traveled to some of the western states in the United States. We visited Alaska, California, Colorado, Montana, and Hawaii. We enjoyed visiting the San Diego Zoo and playing "Guess the Species" during direct instruction. We ended the week with a virtual field trip to Hawaii :)

Ms. Caitlin's Class

Ms. Amber's Class

Let the summer begin! We have officially made it out of the first heat wave! I must say, I certainly miss those snowy days! We have been super awesome at completing our daily schedule of academics and and also been shining stars on our zoom meetings! Keep up the awesome work everyone!! I miss you all so much!

Principal Jenny had a busy week working on NHA's ReOpening Plan. She also celebrated her youngest son's 5th birthday over the past weekend.

Don't seek to be happy; let everyone else chase that rainbow. Seek to be kind and you'll find the rainbow follows you.
